

Massachusetts Envirothon 2012
Community Action Award
Certification Sheet

School/Organization _____ Town(s) _____

By our signatures below, we certify that our team has qualified for the Envirothon Community Action Award by 1) completing requirements for the Community Research Award, and 2) putting our research to work in a community action/service project related to the Massachusetts Envirothon 2012 Current Issue, Sustainable Stormwater Management. We participated in this work as a team effort. We believe all the requirements for the award have been met. (Use a separate sheet of paper to add more names/signatures.)
