

Evidence of Research - Outdoor Recreation

Please list the resources that your team has used in preparation for your Current Issue presentation for the 2008 Envirothon. These are the minimum required for the award. Teams are encouraged to find and use more. Remember to bring documentation of this research to Envirothon registration and to display at the Roundtables at lunchtime. For more information, see *Questions & Resources*.

1. ____ We visited the following two outdoor recreation resources in our community (Be able to find them on a map!)

Place name _____ Description _____

Place name _____ Description _____
